

Collaborating with Recovery High Schools

Linda Dunphy & Sierra Castedo - ARHE 2016 National Conference

Menu of Activities

Basic collaboration:

- Annual college visits from RHSs hosted by or including interaction with the CRP
- CRP & RHS students attend a support group meeting together
- CRP available as a resource for graduating RHS students planning to attend college

Moderate collaboration:

- RHS students attend weekly meditation session led by CRP student volunteers
- CRP student volunteers lead monthly or weekly activity with the RHS students
- CRP students speak at RHS recovery meetings and vice-versa
- CRP students act as volunteer tutors for RHS students as needed
- Occasional visits from RHS or CRP students at each other's sites for a specific activity

High collaboration:

- Establish one-on-one mentorship program matching RHS juniors and seniors with CRP student
- Engage RHS students in planning of campus collaborations

Fully Integrated Activities:

- High school to college transition camp.
- Freshman success community

Establishing a RHS/CRP collaboration worksheet

Adolescent resource to approach about collaboration:
