UC San Diego Dining works diligently to reasonably accommodate medically necessitated, religiously motivated, and lifestyle preferred dietary needs.

Those with **medically necessitated diets** will need to complete **Attachment E/Medical Form**. The UC San Diego campus procedure requires any accommodation related to a medical diagnosis be supported with proper documentation from a physician.

If a participant prefers a **lifestyle motivated dietary preference**, please be aware that Dining offers a wide variety of selections daily that accommodate halal and kosher friendly diets, as well as gluten-friendly, vegan and vegetarian lifestyles.

If a participant requires a **CERTIFIED KOSHER or CERTIFIED HALAL MEAL**, please be aware Dining can provide this service for a nominal fee. You will need to complete the section on **Attachment E - Page 1 ONLY** requiring notification of the certified kosher meal and associated costs. Documentation by a physician is NOT required.

Should you have any questions pertaining to dietary procedures at UC San Diego, please contact UC San Diego directly by sending an email to meetings@ucsd.edu and include the Conference name and date in the subject line.
